

## TECHNICAL DATA

Appearance:	Colored aggregate
Color:	See Below
Size:	1-3 mm & 3-5mm
Specific Weight:	25KG per bag

## PACKAGING

- 25 kg plastic bags- 4 bags required per kit of Pebbletone.

**Custom Colors upon request. This may require minimum order qty and extended lead times.**

## PRODUCT DESCRIPTION

Natural colored stones are used in Pebbletone resin-bound stone systems, with Pebbletone resin binder which is a transparent polyurethane.

## REMARKS

- For further information on the production of decorative Pebbletone system, please refer to Pebbletone Resin Binder Technical Datasheets.
- Please note that actual colors of PEBBLETONE NATURAL COLORED STONES may vary from what's shown in our marketing materials and on our website due to printing limitations and differences in monitor settings. For a more accurate representation, product samples are available on request.
- Please note PEBBLETONE NATURAL COLORED STONES are naturally occurring aggregates, meaning that batch-to-batch color variation may occur.
- Pebbletone natural stones must remain dry. Exposure to moisture will require re-drying and bagging.

## COLORS

**Mojave Desert**

**Black Canyon**

**Alpine Granite**
